## Goal & Vision

By 2030, ensure that 95% of the main collection is composed of recycled, ecological, or biodegradable fabrics.

## Sustainability

Total sustainable fabrics SS26: 93%

### FOR SS26 WE REACHED

- 96% on Active & Underwear (SS26, 100%)
- 93% on Golf (SS26, 91%)
- 70% on Trekking (SS26, 100%)
- 91% on Accessories (SS26, 95%)

### SUSTAINABLE AND CLASSIFIED FABRICS AND TREATMENTS WE USE

- Recycled Polyester (from Pet)
- Recycled Polyamide (mainly from fishing net)
- Organic Cotton (cultured without chemicals and better for the farmers due to zero toxic)
- Recycleable products (that can be made into new garments)
- Biogradable products (that can be broken down by nature)

### DECISION TAKEN BY US AS A COMPANY

- We do not use fur or leather
- We say no to "mulesing wool"
- We use RDS down standard
- We don't use antibacterial treatments (Biocides)
- Clever Car☼ The symbol will be found in all our garments)
- Hangtags in recycle paper and with soy-based print
- We have recycled polyester in our shopping bags both Online & in store
- We are 100% Fluorocarbon free
