What makes Bushnell Golf #1

- **Heritage** — Bushnell was the first to introduce laser rangefinders in 1995, and we have been the leading innovator in the category and #1 ever since.
- **Leading innovator in Electronic Measuring Devices and only technology trusted by professional golfers.** Over 98% of PGA Tour players choose to use Bushnell, **Tour players count on our Slope compensated distances week in and week out to have their distances dialed in.**
- **Confidence that you have hands down the most accurate distances available in golf**
- **Precision** — whether you are lasering a tree, bunker or a flag, Bushnell is accurate to within inches of your target
- **Convenience/Ease of Use** — our laser rangefinders work right out of the box and provide distances to any objects on any course anywhere in the world
- **Best Warranty in the Business — 2 Years**

WE INVENTED
THE CATEGORY.
